Specimen biographical entry.

John Doe, born and raised in Midwest USA completed his master's degree in Religious Studies. He met wife, Jane, while in graduate school and has been happily married to her for 40 years. They have two married daughters, one a secondary school teacher in Surrey and the other a microbiologist in New Zealand. Before returning to Vancouver Island almost twenty years ago, John and Jane taught school in Fort McMurray, Alberta. John continued teaching until 1999 at St. Andrew's Regional High School in Victoria where he fostered a culture of volunteering in students. He fund-raised, organized and chaperoned students for two different years working with Habitat for Humanity building houses for the poor. After retiring from high school teaching, he continued work as a consultant at the Catholic School Board Office. John and Jane have always lived with a "suitcase packed" and have many stories related to travel all over the world. Recently, they completed a third walk along the Portuguese Camino, a pilgrimage to Santiago, Spain. He is interested in meeting others who love to share travel experiences and he looks forward to forming new friendships with Gyro members. Interests include travel and volunteering.
